

又熱又鬧！各國伙伴精彩來報到

Have fun at Registration!

Amusez le Site d'Inscription!

千呼萬喚「士」出來！全世界期待已久的羅浮大會，終於在七月二十六日傍晚，瑞士伙伴抵達國門時揭開序幕。大部分的伙伴一出機場，對台灣的第一印象就是——熱，其悶熱程度從日本與韓國伙伴忙碌地揮動傳統紙扇可見一斑，這就是台灣夏季的典型氣候。

報到時各國代表團的伙伴爭奇鬥艷，來自荷蘭的伙伴，穿著自己國家的傳統大木鞋(比一般的男球鞋再大一倍半)，興奮地與其他國家伙伴分享他們木鞋的特色；中華民國的參加人員也帶了中國傳統風格的飾品，準備與國外伙伴交換禮物；白天報到的墨西哥伙伴，在艷陽下頂著帽子，既華麗又防曬，羨煞許多熱得冒煙的伙伴。

雖然開幕晚會尚未到來，但伙伴們的熱情已經點燃整個營地，自發性的群聚，歌唱跳舞，歡呼嬉鬧的聲音此起彼落，甚至有伙伴玩起假死的遊戲，穿著古怪可愛的服裝，靜悄悄地到人群聚集的諮詢處前方，突然「碰！碰！」三位Portugal的伙伴應聲倒地，還在地上抽著了兩下外加一長串的呻吟，幽默的現場表演立即引發現場一片歡笑。

BY VICTOR ORTEGA

The 12th World Scout Moot finally took place at Taipei! After the first troop from Sweden has come to Taiwan, scouts of various countries came and discovered the HOT nature of this tropical island.

Representative groups of most countries wore their traditional costume to greet people from other countries, such as the clogs of the Netherlands, Chinese traditional ornaments of Taiwan, and pretty big hat from Mexico. Everyone were so high that even before the ceremony begins, scouts from all over the world crowded together. They sang songs and played games with one another. Three Portugese scouts even pretended dying under the gun-shot of fingers, which amused everyone in Linkou.

(Hanna, Karine Hung, Miffy Wang, Hsu Chin Lien)

sommaire

Après que le premier groupe venant du Suède arriva à Taïwan, tous les scouts trouvèrent cette île insupportablement chaude grâce à l'atmosphère tropical. Beaucoup des scouts s'habillèrent leurs coutumes nationales pour les partager avec les camarades d'autre pays.
